

“Perfect” Plan

I know you only stopped by to pick up your things, but I had a better plan for you. You see, I heard what you did to my sister, how you broke her heart... So I figured you needed to be taught a lesson. That's why I transformed you into my panties. Maybe serving me for a while will give you more respect...

Holy fuck... finally! God, she threatened me to turn me into her panties so many times! I do feel bad for what I had to do to her sister, but it got me here, so I guess it was worth it.

Hmm, I know it might be a little awkward for you, there might be a lot of strong smells and tastes, and I know you'll be stretched out. But you'll get through it, probably!

Oh you tease... Just put me on already!

How's that? You feel the stretch now? It's turning me on thinking about how much you're panicking in there, begging to be released...

You have no idea babe. I've been going to town on myself thinking about being wrapped around your thick thighs for weeks. Just do it... Put me on!

Here we go! You feel so comfortable! I don't know if it's good for you, but it is SO good for me...

Wait... no... this isn't hot at all... This... this hurts! I'm so stretched out. I can... god the taste and smell, not what I wanted... I... I fucked up...

I love a black thong. So good, so perfect. Every girl needs a pair like this, don't you agree?

Fuck fuck fuck, this is so bad, I was SO mean to her sister! And for THIS! To be stretched and hurt and... oh fuck... this bitch is so vindictive... I don't know if she is going to turn me back...

Hmm, what should I do today? Maybe the gym? I haven't been in a while, and this ass won't maintain itself...

No no! This is so bad. Please, I made a horrible mistake! Please let me out of here!
