Pleasing Two Furries

well you said you were a bit of a furry, but I always resisted wearing a tail for you... But I thought I would try it out, what do you think? Does this color suit me?

Hello!? What the hell happened to me!? Wait... I know that guy! We met at the furry convention last week! HELP ME!

Yeah, I do like that color! It suits you!

I don't think I've ever put one of these in, I wonder what it will feel like?
Hello!? He... He can't hear me! What is that touching me! NO! She isn't going to... is she...?
I think you'll like the feeling, it's a bit smaller than I am, so it will certainly fit.

You know, it feels pretty good in there! When I said I wasn't okay with this, I guess I just needed to find that perfect plug!
Oh god, it's so hot in here... It's wet and it stinks... Why is she doing this? HOW is she doing this!?
Oh wow, are you my girlfriend, or a sexy fox coming to seduce me?

I have been known to seduce, do you like what you see?
Girlfriend? But we... we went back to my hotel room! He even ruined my fur suit having rough sex!
Oh I really do.

What kind of play is this? She knows nothing about being a furry!
As good as it looks on you, I think you might be onto something...

Oh wow, I can feel her body moving around me, this is so weird, and so fucked up. I'm actually inside of another woman's ass!

Yup! That's how my sweet little fox should be dressed!

You know, I haven't been completely honest with you...

Oh yeah? Has the naughty fox been slinking around and collecting secrets?

Wait what? Is she going to tell him about me? About how she transformed me into this disgusting butt plug? Am I going to be free?

I've been investigating this little fetish of yours. Talked to some women online. Talked to some men too... I even went to a furry convention recently to get a better idea of what this was all about...

She probably saw us leaving together... Is this her revenge on me? I didn't even know he had a girlfriend!

[Gulp] Oh yeah...? And what did you find out, er, what did you learn?

I learned that this must mean a lot to you, and that revealing this part of you was probably pretty hard. I love you for trusting me and I want to give this a shot! Also I have the perfect plug for it now...

SON OF A BITCH! This IS revenge! “Perfect plug?” She’s only okay with it knowing that she is torturing me!

Aw, thanks babe, that means a lot to me...
