

Red Ocean Bikini

You know, this trip is way better as a solo vacation, honestly.

OW! What the hell!
Holding up your tits like
this hurts so much!
What the hell did I do to
deserve this!

Oh shut up! You got it
easy up there! At least
you're not pressed up
against her snatch! Gross!

My ungrateful 'friends' make a better bikini than people...

You bitch! This is horrifying!

Oh shut. Up. She can't hear us, we can only hear each other! Just another of her petty tortures...
Fuck, I can't tell what tastes worse, the ocean or her pussy...

And they make me look so good, I should've done this years ago...

OW, stop squeezing me!

She can't hear us, remember? God, getting stuck with you is almost as bad as being stuck as a bikini.

I wonder what else they might be useful as? Or should I keep them as a bikini...?

She wouldn't keep us, would she? This is just a one-off thing, isn't it?

I don't know, I didn't even know she could transform us!

I wonder how they're doing down there... Nah, that's a lie, I don't really care.

OW! Stop pulling on me!

Oh thank god I'm out of the water...
