Hmmm, you're soaking wet! But I'm still not sure I could get my fist in...
Let's change positions, give you a better angle, but I guarantee that you'll fit. In fact, you'll get more than your fist in my pussy...

Oh trust me, it happened. I drew you into my body, transforming you into my pussy. I wasn't lying about my ability to take big things in my snatch, and having a person transformed like this is supposed to make her so much more durable! I can't wait to see what I can do to her now!
Whoa... I really AM your pussy, aren't I? I can feel it... I can feel your lips... wow this is strange.
