From the Closet

So the cherry one is your boyfriend...
Exactly! He dared flirt with that bitch from the gym, so this is what he gets.

And why do you want ME to wear YOUR boyfriend?
I don’t want anything to do with him anymore, not even to wear him around my ass.

I don't remember him being much of an ass man...
Oh no, he wasn't. He wouldn't go near mine unless I had JUST come out of the shower!

And that’s why you made him so scant in the back? So he’s forced between my cheeks and right up against my asshole?
Exactly! And look how snug he is up there! he must be having the worst time, especially because I turned up his smell and taste sensitivity to 300%!

So for you, in purple flowers, is my boyfriend Steve! I caught him staring at that same bitch from the gym, so needs to be punished as well.
Ooh, I like the color!

And why did you do that? Won't his life be boring?
So I decided to turn off his sense of smell, taste and even touch. So he'll be right up against your cooch, but won't be able to experience it in any way at all!

Well he really loved eating me out. Like REALLY. There were days he made me orgasm so many times I had to beg him to stop. I will kind of miss that, but fuck him.
So this is his punishment? Pressed up against what he loves so much but completely unable to feel it?

Exactly!
I love it! So what did you do with the bitch then? She deserves a punishment as well.

I turned her into a dress, which I hung up in my closet, but never intend to wear!
Well that's something!

Yeah! Though I bet it's hard to see, I kind of sandwiched her between a green and blue dress.
Oh so she's watching us right now?

I might turn her back one day just to see how broken her mind is. But for now, she can just watch.
Hm, I think that's more cruel that what we did to the men... Making her watch us torment them day after day while she can only just hang there and watch?

Hm. I might have to borrow her sometime, if you don't mind...
Exactly! She gets to just hang there and watch as we punish the men she flirted with by wearing them around our asses!
