

Headphoned

Thanks for agreeing to be transformed into my earbuds. You always did insist I wear them but you borrowed and broke mine.

I didn't volunteer for this at all! Turn me back you bitch!

Damn I should've turned
you into headphones
sooner, music sounds
great on you!

AGHHH! FUCK
that's so loud!

You know it's kind of funny, the only reason I needed headphones, according to you, was so I didn't bother you. And now I have headphones, and you aren't even in a position to be bothered! I think you call that 'ironic.'

Ahh, it's still loud!
And... is she pulling
me into her tits?
What the fuck?

Also, I gotta say, I didn't expect to be this turned on by using you like this. It's kind of hot having my roommate turned into something for me to use.

AHH, you fucking asshole, it hurts, STOP FUCKING BITING ME!

It's also kind of nice to be able to just kind of hang around naked. That stupid roommate of mine was always being so controlling.

Yeah, because we SHARE AN APARTMENT! It's MY place too and I don't want to stare at your tits all day!

Hmm, you know, this is to much better, I think I might keep that stupid roommate like this...

Wait, what? NO! You can't keep me like this!

Yeah, the sound is great,
there's no annoying
roommate badgering
me about headphones
or getting dressed.

No, no, this can't
be happening...!

Now let's see...
what should I
listen to now...

FUCK YOU!
