Yes, I get it. I was sucking at being a maid, so you transformed be into the vacuum to make me suck. Ha fucking Ha. Now get me out of here, this is disgusting! I'm eating dust and dead skin and shit!
Nah. The other vacuum broke and I am NOT sweeping this whole damn house! Though, with the owners out, maybe I'm ready for a break... I might even give you something more pleasant to put in your new mouth.
