Revenge Served with Cock

Nope. After I managed to land a date with Jake, you said some pretty hurtful things to me. I know you liked him too, but you losing out on your chance is no reason to call me a... what did you call me again?
I didn't mean it! I was just angry that you got to him first, I didn't mean anything by it! Please!

Didn’t mean anything by what? Remind me what you said... Do it, or maybe I’ll turn you into a tampon instead.
No no, don’t do that... I said... I called you a... umm... I called you nothing but a nasty pussy with legs...

And that wasn't very nice. And to show you just how not dirty my pussy actually is, I figured you could spend some time inside it. But you really should be graetful right? This way, you still get to be with Jake!
Oh shit, I didn't even think of that... How do you think that's going to feel...?

Oh are you getting a little bit turned on by the thought of swallowing a cock as big as you are?
NO! Well... I mean... kind of... Do you think I'll be able to taste it?

From what I hear, it feels like you both sucking his cock AND taking it in your pussy at the same time... You know I can feel you getting aroused, right?
Hhmmm... sucking and fucking... You touching me is making me horny. Could you, um, could you call him over now...?

Hmm, maybe you're liking this whole thing a little too much. I was going to rub one out, make you squirt, but I think now I'll make you wait instead.
NO! I mean... I'm so horny, could you just...? I need it!

For a moment there I considered letting you out, taking away the chance to be with Jake. BUT, this whole thing is making me pretty horny too, so I will call him, but I won't touch you until he comes over. We'll let the anticipation build.
Oooo I actually kind of like that... I think this will be kind of fun...
