No, no, not bitch, Witch! How do you think I transformed you into my armpit? Also, no, I'm not letting you out, no one disrespects me like that and gets away with it...
Disrespect?! Are you crazy? You turned my friend and girlfriend into your high heels! Right in front of me! That's insane!

You should have just counted yourself lucky that I chose them and not you. If you had, you could be in your own home, deleting their numbers out of your phone and carrying on with your life. Instead, you get to explore my boyfriend's fetish with me!
I couldn't just leave them! They were human beings, and now they're wrapped around your gross feet! That's fucked up!

Oh you have no idea what's gross. Though I think, as a big, tough man, or former big tough man, you're going to hate what's about to happen to you.
Wait what? What could be worse than being your disgusting armpits?

Sure thing, babe! He was getting annoying anyway...
Hey, HEY! Get the fuck away from me! Did she take my voice away?
