Oh look at that, you make such a cute bat! I made sure you have all of your senses as well, but I silenced you. I don't really want to have a conversation with my bat!
Fuck this bitch, why the hell did I agree to this bet? Whomever loses becomes the other woman's baseball bat? Who even thinks of that? I really need to work on my competitive nature...

Hehe, you never should have agreed to this! I have such plans for you!
What plans could you have for a bat? There's really only one thing a bat is used for... Wait, why did she pull her shirt up? What a freak!

So what do you think? You want to have some fun before the next game?
What kind of fun is she talking about, this is so weird!

But to do this right, I need to get more comfortable...
What the fuck? We're in public, why the hell is she flashing her nasty pussy out like this?

So I have to ask, have you ever been with a woman? I know you can't respond, but anyway...
Been with another woman? What does that have to do with anything?

So I have a reputation among my friends... And I bet if you had known about it, you never would have agreed to this, but too late now!
What kind of reputation? What the hell did I get into!?

Maybe after you transform back, I'll ask you about it. I'm sure I can find a spell to make you tell the truth.
At least I won't be like this for long, the bet was that we would stay as a bat until after the next game...

This isn't bad, but I really want to get it deeper than this eventually. Opps! I'm already calling her an 'it!'
Oh you better not forget about me! This is only temporary!

Well I'll have plenty of time to work on it, by next season I should be able to get it to where I want!
Wait, what? Next season? Our bet was next game!

But since I won, I framed the spell so it would be the next game that ‘we’ played together. ‘We’ in this case meaning my team and her team!
Wait, so I’m trapped like this until our TEAMS play again!? FUCK YOU!
